Journey to Hope is a FREE event for the community and businesses

hosted at Chattahoochee Technical College of Paulding in Building B. Our goal is to build the bridge between professional assistance and the communities needs. Through Journey to Hope we can spread awareness of the mental health resources available in our community.

During the conference our speakers will discuss professional insights to help you on your journey towards better mental health. They'll be tackling the subjects of addiction, trauma, depression, and more! Sign up to save your free meal and seat.
